

## Law Enforcement Compliance Policy

### **LEGAL PROCESS:**

vUnity, Inc  
Attn: Law Enforcement Compliance  
5662 Hollywood Blvd  
Hollywood, CA 90028  
[Legal@vUnity.com](mailto:Legal@vUnity.com)

### **LIMITATIONS:**

vUnity retains no per user traffic statistics or content logs. Customer pedigree information such as billing information cannot be decrypted. All record requests will be refused without a verifiable United States search warrant.

### **ENCRYPTION NOTICE:**

Blanket wiretapping requests and deep inspection are not possible due to network level encryption. vUnity does not maintain keys to encrypted boot loaders on network appliances.

### **AVAILABLE RECORDS:**

vUnity maintains customer billing address and static IP assignment mappings only.

### **CUSTOMER NOTIFICATION:**

Unless restricted by verifiable direct court order, all customers will receive notification of the inquiry made to their records.

### **NON DISCLOSURE AGREEMENT:**

vUnity maintains a non-disclosure agreement with every customer. Civil inquiries shall be limited to the fullest extent by law.

### **PROCESS:**

Under United States Law, all search warrants must:

- Either contain or have attached the affidavit showing probable cause for its issuance.
- Indicate the name of the person swearing to the affidavit.
- Describe with particularity the person or the place to be searched and the items to be seized
- State that it shall be served between 6 a.m. and 10 p.m. unless the judge, for reasonable cause, authorizes its execution at another time.
